

Invitation for Prequalification (IFP)

IFP No. 19-RLNG-POWER PLANT (HSD)

Supply of High-Speed Diesel (HSD) to 1180 MW Combined Cycle Power Plant at Bhikki, Punjab, Pakistan

Quaid-e-Azam Thermal Power (Private) Limited (QATPL) is a company wholly owned by the Government of Punjab, and incorporated under the Companies Act, 2017. QATPL has established and operating 1180 MW (Gross) Combined Cycle Power Plant at Bhikki, Sheikhpura, 18km from Sheikhpura under the IPP (Independent Power Producer) regime. RLNG is the primary fuel for the Power Plant whereas High Speed Diesel (HSD) will be used as a backup fuel.

QATPL intends to select a reputed Oil Marketing Company (OMC) to carry out the Supply of High-Speed Diesel (HSD) for three (03) years for the operations of Power Plant.

For this purpose, sealed applications are invited for prequalification of potential bidders for Supply of HSD to the subject Power Plant.

A complete set of Prequalification Document (PQD) in English language, can be downloaded free of cost from the PPRA and Company website www.qathermal.com by interested applicants.

Interested applicants may also inspect and obtain the PQD from the following office during the office hours. Applications for prequalification, prepared in accordance with the instructions in the PQD, must be delivered to the following address by 28 June, 2022 till 1500 hours (Pakistan Standard Time). The applications will be opened on the same day at 1530 hours (Pakistan Standard Time).
