

CAREER OPPORTUNITY
QUAID-E-AZAM THERMAL POWER (PVT) LIMITED
CHIEF EXECUTIVE OFFICER

Quaid-e-Azam Thermal Power (Pvt.) Ltd. is a public sector company owned by the Government of Punjab to construct and operate a RLNG based 1180MW Combined Cycle power plant at Bhikki, District Sheikhupura. The plant is producing cheap and reliable electricity and playing a pivotal role in eliminating the energy crisis in the country. We are seeking applications from highly qualified professionals for the position of Chief Executive Officer who are willing to work diligently for the achievement of challenging targets. QATPL offers market- based highly competitive compensation package and attractive incentives on the basis of qualification, experience and skills. This is also an opportunity to become part of a leading public sector initiative. The Place of posting will be Head Office Lahore. The requisite qualification and experience for the position is as follows:

Qualification	Bachelor's and/or Masters' Degree (minimum 16 years of education) from a reputable university recognized or accredited by the Higher Education Commission (HEC) in disciplines including Engineering, Energy Management, Power, Economics, Public Policy, Social Sciences, Business Administration (Finance), Public Administration, Law or Chartered Accountancy. Higher qualification will be given preference.
Experience	At least 20 years post qualification experience at large public or private sector organizations, with no less than 05 years working in a senior management role at a power or large infrastructure project company/organization. Familiarity with public sector business processes and Government/business interface will be considered an added advantage.
Age	Should not be above 62 Years as on the last date for submission of application.
